With Carrie Ann's recent marriage to Peter Berkenbosch POM's career has now extended to Europe. In 2022 POM was teamed with Jurgen Pouls to win multiple NRHA BE titles, DRHA titles, and NQHA Open Reining Dutch Championship. Additionally, with Carrie Ann winning the NQHA Open and Amateur Performance Stallions. The 2023 season has been more of the same winning ways. Capturing the same NRHA BE titles, adding more DRHA titles and again the NQHA Dutch Championship Open Reining Champion. POM has NRHA LTE 30.000+ and AQHA points in both Reining and Ranch Riding, adding up to his Performance ROM.

Goes without saying that POM is a true show horse that will step up when the pressure is on to perform.

He loves his work but he also loves to be loved. Sweet disposition and child friendly, he is easy to trust and love. Affectionately known for his shark-like teasing, he is an attention seeker. With good looks like this who can blame him...
