

NSBA
2026 EUROPEAN
CHAMPIONSHIP SHOW

SOUVENIR PROGRAM

25 APRIL - 03 MAY 2026

WELCOME

NQHA
NEDERLANDSE QUARTER
HORSE ASSOCIATIE

As we prepare for the 2026 edition of the Euro Summit, the enthusiasm of riders all over Europe is overwhelming. There had been a buzz in the media for a couple of months now, which made us believe there was going to be a good turnout. Well, it is not just good, it is fantastic! It is quite unbelievable to see the huge number of entries for both the Euro Summit and the NSBA International European Championship classes.

Can you imagine it started just 5 years ago? At that time, there was just a perfect facility and some people with a vision to set up something great for western riders. The show has now matured to one of Europe's biggest, all thanks to the exhibitors and volunteers who have supported the show along the way.

With vendors, fun classes, awards ceremonies and the best horses from all over Europe, this year's edition offers something for everyone.

Have fun and all the best on behalf of the entire board,
Anja Vogels

Welcome!

As president of the National Snaffle Bit Association, it gives me great pride to welcome you to the 2026 Euro Championship Show. One of the hallmarks of our association has been the inclusion of our breed associations into events that bring the horse community together. Our vision has always been to provide all-breed show opportunities for our members and equine friends.

I am so pleased to see that vision come to fruition at this year's Euro Championship Show, which looks to be one of the largest, if not the largest, NSBA show in Europe. This show would not be possible without your participation and support, along with the many people who worked together to make it happen. I know first-hand the hard work it takes to compete at this level, and all the hard work that led up to this championship event. Thank you for being here, and thank you to all those who helped put this year's show together!

We can't wait to watch the talented horses and riders compete together on one of the world's largest stages. We look forward to rewarding your excellence throughout the show. I wish each of you the best of luck, but more importantly, I hope that you will continue to share our love for our magnificent equine partners with others.

Sincerely,
Michael Tidwell

Dear Euro Summit Exhibitors, Friends, and Families,

It is a true pleasure to attend this legendary show for the very first time. Like many of you, I am thrilled to be here in Kronenberg, surrounded by an incredible community of horse lovers who have come together from across Europe and beyond to celebrate our shared passion. The Euro Summit is known for bringing together outstanding horses, talented exhibitors, and multiple associations and disciplines—including the American Paint Horse Association—and I'm honored to be part of it.

Please stop by the APHA booth and say hello! I'll be there throughout the week to assist with paperwork, answer questions about Paynt Points and the Color Bonus Incentive, and connect with our international members and friends. I look forward to meeting many of you in person and helping you live your best Paint life.

A heartfelt thank you to the outstanding show management team for the vision, dedication, and countless hours of work that make an event of this caliber possible. And thank you to the owners, exhibitors, families, and of course the horses who inspire us every day—this week is truly for you.

Warm regards,
Irene Stamatelakys
